P A R E C E R :

#### Preâmbulo

A presente emenda ao projeto de lei de autoria da Deputada Cida Borghetti visa complementar o parágrafo 4º, do referido projeto, ao indicar que os medicamentos fornecidos obedecerão à padronização estabelecida pelo Poder Público.

#### Fundamentação

O projeto já foi analisado por esta Comissão, recebendo parecer favorável em virtude de sua constitucionalidade e legalidade, com a aceitação de outra emenda apresentada.

Essa nova emenda não afeta em nada a constitucionalidade do projeto, vindo apenas a especificar a forma pelas qual serão fornecidos os medicamentos. Segundo a emenda, o poder público fica responsável pela elaboração de normas de atendimento e controle de uso dos medicamentos, que serão padronizados em torno de consensos clínicos e terapêuticos, estudos médicos e científicos, evitando submetê-los ao interesse comercial da indústria farmacêutica, otimizando assim os gastos com os medicamentos.

Dessa forma, o parecer é pela aprovação da emenda que altera o artigo 4º do projeto, em virtude de sua constitucionalidade e legalidade.

P A R E C E R :

#### Do Projeto

De autoria do Deputado Tadeu Veneri o Projeto de Lei nº 459/2005 visa alterar a redação de artigo da Lei Estadual nº 12.327, de 21 de setembro de 1998, que dispõe sobre as atividades profissionais do Despachante de Trânsito do Estado do Paraná - Detran-PR.

Em sua exposição de motivos o Autor afirma que o número de veículos aumentou significativamente nos últimos anos e há vários municípios onde não há despachante. De outra o Autor pretende dar melhor redação aos dispositivos que tratam da atuação do Despachante, do processo disciplinar e outras considerações fundamentais para o exercício de atividade considerada relevante à administração pública.

**Das Emendas ao Projeto de Lei nº 459/2005**

No sentido de equacionar o texto do projeto de lei apresentado às dimensões da atividade de Despachante, o Autor apresentou um conjunto de emendas às quais foram acrescidas outras, e que se encontram em destaque no Substitutivo Geral, que ora se apresenta.

O artigo 136, parágrafos 2º e 5º do Regimento Interno da Assembléia Legislativa do Paraná, prevê as hipóteses de apresentação de Substitutivo Geral visando dar melhor ordenamento à matéria, evitando-se distorções ou incongruências. No mesmo sentido a Lei Complementar nº 95/98.

Sala das Comissões, em 22.11.2005.

DELEGADO BRADOCK - Relator

**JUSTIFICATIVA:**

As modificações e acréscimos que se pretende no teor da Emenda, vem ao encontro de algumas necessidades que se vislumbram na atual Lei nº 12327, de 21 de setembro de 1998.

Ocorre que muitos despachantes do Detran deixam seus escritórios nas mãos e sob o comando de prepostos, inclusive nem mesmo trabalhando mas tão somente "emprestando" seus nomes para outros desempenharem a função relevante de despachante, motivo pelo qual procura-se estabelecer a exclusividade na função não sendo possível o exercício de outra atividade remunerada, salvo a de magistério, uma vez que o despachante poderá ensinar suas atividades em cursos, ou mesmo em palestras, seminários e afins.

Por outro lado, busca-se ainda estabelecer certa restrição ao preposto, o qual por sua vez não poderá realizar a vistoria, tratando-se esta de atividade eminente ao despachante, ora, quem realizou o concurso, quem foi autorizado a efetivamente realizar os trabalhos - inclusive o de vistoria que é um dos principais para verificar a originalidade do veículo - foi o despachante, sendo para esta a concessão dos trabalhos, podendo ele contar com um auxiliar, ou seja, o preposto.

Por último, salienta-se a questão dos lacres das placas. Foi mencionado como sendo atividade exclusiva do despachante, ficando proibido tal atividade aos fabricantes de placas, a fim de resguardar o bom andamento dos trabalhos de despachante, dando maior segurança ao consumidor e de forma criteriosa deixando ao despachante mais esta relevante atribuição que não se deve às fábricas de placas.

#### Relatório

O presente plano de lei de autoria do Poder Executivo, através da Mensagem nº 65/2005, e que objetiva alterar dispositivos da vigente Lei Orgânica do Imposto sobre a Propriedade de Veículos Automotores - IPVA (Lei nº 14.260/2003) e aprova tabela de valores venais para cálculo do referido imposto referente a 2006.

#### Fundamentação

Tal matéria já foi devidamente analisada pela douta Comissão de Constituição e Justiça que emitiu parecer favorável.

#### Conclusão

Chamada a opinar esta Comissão de Finanças, de acordo com o que preceitua o parágrafo 3º, do artigo 33 do Regimento Interno, verifica que o projeto em tela não encontra nenhum impedimento quanto à sua normal tramitação pelos demais órgãos desta Casa de Leis.

Contudo, esta relatoria entende que há necessidade de apresentar Emenda, visando instituir o desconto no Imposto sobre a Propriedade de Veículos Automotores - IPVA - aos contribuintes que não tenham cometido infrações de trânsito, na forma que especifica.

Da mesma forma que se deve punir os infratores das leis de trânsito, aplicando multas pesadas, há que se considerar que aqueles motoristas responsáveis e respeitadores das normas estabelecidas no Código de Trânsito Brasileiro devem ser contemplados com tal propositura.

Devemos salientar que o Estado do Rio Grande do Sul já contempla tal iniciativa, por meio da Lei nº 11.400, de 21 de dezembro de 1999.

Diante do exposto, é o nosso parecer favorável, na forma da emenda aditiva, apresentada em anexo.

A Proposição nº 106/2005, de autoria do Poder Executivo, veta o Projeto de Lei nº 266/2005, de autoria do Deputado Francisco Bühner, que visava instituir o teste vocacional na rede oficial de ensino do Estado do Paraná.

#### ITEM 04

DISCUSSÃO ÚNICA - da Proposição nº 021/2005, veto apostado ao Projeto de Lei nº 268/2003, de autoria do Deputado Agostinho Zucchi, que altera o item III, e inclui o item IV, no artigo 5º, e altera o item I do artigo 10 da Lei nº 12.020, de 09 de janeiro de 1998, do Poder Executivo. COM RELATÓRIO DA CCJ, CONSIDERANDO O VETO EM CONDIÇÕES DE SER APRECIADO PELO PLENÁRIO.

OF/CTL/CC Nº 066/2005

Curitiba, 05 de janeiro de 2005.

Senhor Presidente:

Tenho a honra de acusar o recebimento do Ofício nº 278/2004, dessa Presidência, e de levar ao conhecimento de V. Exa. que, em conformidade com o artigo 87, inciso VII, combinado com o parágrafo 1º, do artigo 71, ambos da Constituição Estadual, vetei o Projeto de Lei nº 268/2003, por julgá-lo contrário ao interesse público, em razão dos motivos adiante expostos.

Objetiva o autógrafo alterar os dispositivos que especifica, da Lei nº 12.020, de 09 de janeiro de 1998, lei instituidora do Fundo Paraná, destinado a apoiar o desenvolvimento científico e tecnológico do Estado, nos termos do artigo 205, da Constituição Estadual.

A negativa de sanção ao projeto de lei em referência decorre do anexo pronunciamento da Secretaria de Estado da Ciência, Tecnologia e Ensino Superior (Ofício nº 1.057/2004 do Titular da Pasta), considerando a medida, assim como está posta, contrária aos superiores interesses do Estado e esclarecendo, também, que se ado-

tada, implicaria em dispersão de recursos com prejuízos para a execução de políticas do setor.

Esses os motivos que me levaram a vetar o projeto de lei que, em anexo, restituo a essa colenda Casa.

Valho-me do ensejo para apresentar a V. Exa. os meus protestos de elevado apreço e distinta consideração.

DISCUSSÃO ÚNICA - da Proposição nº 098/2005, veto parcial apostado ao Projeto de Lei Complementar nº 118/2005, de autoria do Poder Executivo - Mensagem nº 010/2005, dispondo sobre o Conselho de Contribuintes e Recursos Fiscais - CCRF, conforme especifica (Inclusão de Procurador no Conselho). COM RELATÓRIO DA CCJ, CONSIDERANDO O VETO EM CONDIÇÕES DE SER APRECIADO PELO PLENÁRIO.

OF/CTL/CC Nº 169/2005

Curitiba, 04 de outubro de 2005.

Senhor Presidente:

Tenho a honra de acusar o recebimento do Ofício nº 247/2005, dessa Presidência, e de levar ao conhecimento de V. Exa. que, em conformidade com o artigo 87, inciso VII, combinado com o parágrafo 1º, do artigo 71,

ambos da Constituição Estadual, vetei, parcialmente, o Projeto de Lei Complementar nº 118/2005, por considerar a parte vetada, tal como está, contrária ao interesse público, conforme razões adiante expostas.

Objetiva o autógrafo alterar os dispositivos que especifica, da Lei Complementar nº 01, de 02 de agosto de 1972 (Lei do Conselho de Contribuintes e Recursos Fiscais - CCRF), tendo o veto parcial apostado incidido sobre o parágrafo 2º do artigo 9º, na redação da "Alteração 3ª".

O supra mencionado parágrafo 2º, embora tenha constado da Mensagem propositora da medida, foi vetado porque estudos posteriores ao encaminhamento revelaram que a restrição imposta quanto à indicação do representante da Procuradoria Geral do Estado no Conselho em referência, vindo de um único setor do órgão, não retrata os superiores interesses públicos, eis que, em universo maior de escolha, melhor serão atendidas as normas emanadas da Lei Complementar nº 40, de 08 de dezembro de 1987, que dispõe sobre a estrutura da referida PGE.

Esses os motivos que me levaram a vetar parcialmente, o projeto de lei em epígrafe, cujas razões submeto à elevada consideração dessa colenda Casa.

Valho-me do ensejo para apresentar a V. Exa. os meus protestos de elevado apreço e distinta consideração.

DISCUSSÃO ÚNICA - da Proposição nº 118/2005, veto parcial apostado ao Projeto de Lei nº 385/2005, de autoria do Tribunal de Justiça, alterando dispositivos da Lei nº 14.277, de 30 de dezembro de 2003 (Código de Organização e Divisão Judiciárias do Estado do Paraná), conforme especifica. COM RELATÓRIO DA CCJ, CONSIDERANDO O VETO EM CONDIÇÕES DE SER APRECIADO PELO PLENÁRIO.

OF/CTL/CC Nº 219/2005

Curitiba, 24 de novembro de 2005.

Senhor Presidente:

Tenho a honra de acusar o recebimento do Ofício nº 319/2005, dessa Presidência, e de levar ao conhecimento de V. Exa. que, usando da atribuição conferida pelo artigo 87, inciso VII, de conformidade com o disposto no parágrafo 1º, do artigo 71, ambos da Constituição Estadual, vetei, parcialmente, o Projeto de Lei nº 385/2005, por julgar a parte vetada contrária aos superiores interesses públicos, em razão dos motivos adiante expostos.

Objetiva o autógrafo alterar dispositivos do Código de Organização e Divisão Judiciárias do Estado do Paraná, de que trata a Lei nº 14.277, de 30 de dezembro de 2003, tendo o veto parcial apostado incidido sobre a alteração que pretende seja dada ao parágrafo 1º do artigo 8º, do referido Código.

A negativa de sanção à alteração de redação do referido parágrafo 1º, do artigo 8º, é devida ao fato de que, com a junção do Tribunal de Alçada ao Tribunal de Justiça, imposta pela Emenda Constitucional nº 45, de 08.12.2004 à Magna Carta da República, o universo de membros do Tribunal de Justiça do Estado, na nova composição, foi expressivamente ampliado, observando, portanto, que a expressão "mais antigos" impõe maiores reflexões e mais detalhadas conceituações porque, tal como está posta na parte vetada, deixa dúvidas e seria de difícil exequibilidade, por falta de indispensáveis definições legais, que esclareçam se seria antiguidade no cargo de Desembargador, de ex-Juiz do extinto Tribunal de Alçada, ou, enfim, na própria carreira da Magistratura.

Esses os motivos que me levaram a vetar, parcialmente, o projeto de lei em epígrafe, cujas razões submeto à elevada consideração dessa colenda Casa.

Valho-me do ensejo para apresentar a V. Exa. os meus protestos de elevado apreço e distinta consideração.
